## INDUSTRY SOLUTIONS:

No matter what industry your equipment serves, **protecting the integrated systems is of paramount importance to maximize the lifespan of the equipment.**

**Combine Grain Head Attachment:** Axillary hose sleeve with internal straps prevents hoses from dangling around the drive wheels.

**DEF Tank Cover:** Thermally insulated cover helps maintain consistent fluid temps.

**Backhoe Abrasion Sleeve:** Protects hoses in heavy abrasion and pinch points.

**Concrete Safety Cover:** Expandable burst technology protects operators from pipe bursts.
